Evening Showcases at JAZZKOMM @ POPKOMM in Berlin

The showcase and business platform for musicians and jazzpreneurs

Take a step into the German market! Promote new live projects and new issues!

The costs for an Evening Showcase-Concert / Big Showcase (45-60 minutes of length) are the following:

250,-Euro booking fee per band

plus

- a) costs for backline, extra PA-, light-, video-equipment if required,
- b) technical or service staff
- c) rent of the venue, if a special venue has to be rented, which is not our partner.

Note: If you bring your own backline or staff you save some of these costs.

If there are several bands sharing the same backline, location and staff we divide the costs per band.

If you order us to care for equipment rental, extra location, staff, services etc, we add 15% service fee on the original costs of the providing company.

So in the best case you only have to pay 250,-€ per band for an evening showcase, in more complex cases accordingly more.

We are looking forward for your application.

Please send us the infos of your artists: photos, music link and CD, rider, stage plot, preferred day of performance and fill in one application form per band or per showcase.

All prices are to be understood plus statutory VAT (19%).

Display stands must be registered no later than July 15, 2010
